

Storyworks!!

Dear Fifth Grade Parents,

This year we will be exposing our students to a multitude of nonfiction and fiction texts in our English Language Arts curriculum. To coincide with our units of study, and to prepare for statewide assessments, we would like to subscribe to *Scholastic Storyworks*, a bimonthly magazine that touches on critical thinking and reading comprehension skills, which are essential at the fifth grade level. The cost of this magazine is \$8.00 and is a one-time fee. The magazine will be used in school as well as for homework assignments. Please send in your payment in cash. Thank you for your support!

Sincerely,
Fifth Grade Teachers

Please attach the bottom of this form to me with your payment.
