## Welcome to My Personal Page

Thank you for visiting my Fundraising Page! I am running this year's Queens Family Fun Run/Walk in support of Ronald McDonald House New York.

Ronald McDonald House New York provides a temporary "home-away-from-home" for pediatric cancer patients and their families. The House is a supportive and caring environment that encourages and nurtures the development of child-to-child and parent-to-parent support systems. At Ronald McDonald House New York, kids with cancer can just be *kids*.

It costs the House \$295 to house each family, each night, and while families who stay at the House are asked to donate \$35 per night-- no family is ever turned away if financial hardship prevents them from doing so. The rest of the House's costs are entirely supported by foundations, corporations, and individuals, like you, who share a primary concern for the brave young children and their families who come to the House during the most difficult of times.

The funds I raise for this event are crucial to keeping Ronald McDonald House New York's facilities open and affordable to the families they serve. Please support my "Kids Helping Kids" effort by donating to my page!

Note to Supporters:

**Please note that online fundraising will close prior to the event on Friday, April 5th, at 12:00 PM noon.**
