Dear PS 205Q Families,

Our student government is proud to be participating in the District 26 Student Leadership Project serving the Ronald McDonald House.

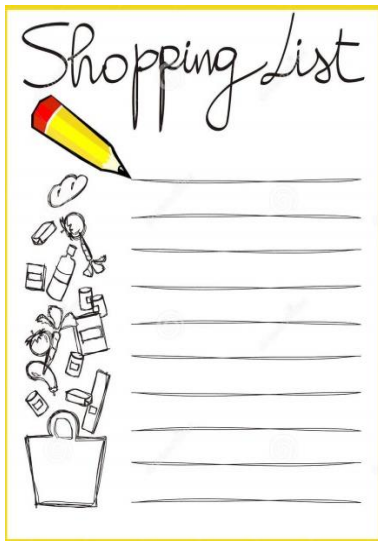

About Ronald McDonald House

Many families travel far from home and spend several weeks or months to get treatment for their seriously ill or injured children. A Ronald McDonald House is that “home-away-from-home” for families so they can stay close by their hospitalized child. At every House, families can enjoy home-cooked meals.

Visit <http://www.rmhc.org/> for more information.

After doing an inventory regarding supply needs at the Ronald McDonald House, the representatives have informed us of what they are most in need of right now. In an attempt to get an equal amount of each item, we created the chart below as a guideline of class donation requests. However, please feel free to choose any of the supplies that you are able to donate. Thank you so much in advance for your donations to help families in need.
