# Virtual Learning Sessions for Parents and Guardians

From July 27–August 22, join us for helpful sessions on how to set up iPad for your child. You'll learn how to manage parental controls and Screen Time, navigate your device, and explore built-in apps and features.

## Parental Controls and Restrictions

Mondays  
5:30–6:30 p.m. EDT

Thursdays  
12:00–1:00 p.m. EDT

Saturdays  
10:00–11:00 a.m. EDT

Learn the features of iPad that help parents manage what kids can do with their devices. We'll take you through Family Sharing, Screen Time, and parental controls to encourage responsible online use.

## Getting Started on iPad

Tuesdays  
5:30–6:30 p.m. EDT

Fridays  
12:00–1:00 p.m. EDT

Saturdays  
1:00–2:00 p.m. EDT

From learning how to navigate your device and its settings to discovering how to use Siri and FaceTime, you'll learn the skills you need to get up to speed on your iPad.

## Staying Organized on iPad

Wednesdays  
5:30–6:30 p.m. EDT

Saturdays  
12:00–1:00 p.m. EDT

Saturdays  
4:00–5:00 p.m. EDT

Explore built-in apps on iPad. You'll learn how to stay organized with Files, Calendar, Notes, and Reminders, and find out how Siri Shortcuts can help you customize your device.
