Where Wearing Is Caring

Wednesday September 16, 2020

Dear PS 205 Students and Families,

Thank you for joining us today for our first day of remote learning! I understand that two classes had some technical difficulties with accessing the google classrooms, we have addressed those issues and hope that tomorrow will run smoother for you. Thank you for your patience!

Please be on the lookout for the following items that will be going home next week:

- Blue Emergency card for each child must be completed and returned to school the next day. This is for CA and CB students only.
- A photo consent form
- The School Lunch Form - please return ASAP
- Transitions Between Blended & Remote Timeline

Reminders:

- Students will also have their attendance taken on a daily basis. In-person students will have their attendance taken at school. Remote students will have their attendance taken by their remote teacher. If your child is absent, please call the school.
- Students in Cohort A and B (CA and CB) will only be allowed in the building on their designated day. If they arrive to school on a day that is not their designated day, a family member must pick the child up and the child will continue their school day at home.
- Please ensure that your child is wearing a mask upon entering the building. If a child does not have a mask, one will be provided for them.

Lastly, please join me in welcoming our new school nurse, Ms. Julia Campise. Nurse Campise has many years of nursing experience and we look forward to her joining our team.

Sincerely,

Karen Scott-Piazza
Principal
