

Holiday Gift Drive

(Please donate new/unwrapped gifts for newborns-teens)

Hi! My name is Angelina and I previously attended P.S. 205. I am now in 8th grade. Outside of school, I am a Girl Scout and have created a Pandemic Relief project to earn my Silver Award. Each month, I am hosting different drives to help those less fortunate during this ongoing pandemic. I was recently on Bayside Live TV to spread awareness of my project and now, I am reaching out to the school communities. This month, I am collecting holiday gifts for two shelters. If you would like more information, you can email me at girlscouttrp4637@aol.com
