

Alexander Graham Bell PS 205

Where Wearing Is Caring

Thursday January 7, 2021

Dear PS 205 Families,

Today we welcomed back students for in-person learning and learned that our **arrival** entrance at Exit 8 had too many students coming in at once. I spoke with our custodian and he will be placing social distancing “markers” outside the new exits to ensure we have the proper flow at arrival. **I have also CHANGED the entrances for 2nd, 3rd, and 4th graders.** Please see the entrance directions below:

Beginning tomorrow Friday January 8th please use the following entrances:

2nd Grade will come in **EXIT 4** 77th and 217th Street (same exit used at dismissal)

3rd Grade will come in **EXIT 4** 77th and 217th Street (same exit used at dismissal)

4th Grade will come in **EXIT 9** (through the cafeteria) between Bell Blvd. and 217th Street

5th Grade will continue to come in **EXIT 8** (between cafeteria and gym)

Pre-K through 1st grade will continue to enter through the main lobby.

Parents and guardians who are dropping students off MUST WEAR A MASK.

All students must **continue** to show their health screen to the school aide, teacher or paraprofessional in charge of the entrance. **To avoid further congestion at the doors it is imperative that the health screen is either filled out prior to coming to school or shown via the health screen app.**

Please let Lilly know if tomorrow’s arrival procedure runs smoother. Thank you!

Dismissal Procedures and Exits remain the same.

Sincerely,

Karen Scott-Piazza
Principal
