

# District 26 Middle School Open House Schedule

## Attention all 5th grade parents and guardians in District 26!

The Middle School application period is from January 10 to February 28, 2022. In District 26, students attend their zoned Middle Schools. Additionally, your child can apply for a seat in either of our two lottery schools open to the whole district. District 26 students also have the opportunity to apply to any of our Middle Schools by selecting the district-wide lottery options on their MS application. Each school has scheduled a virtual Open House to provide you with information about their Middle School Team and the application process.
