"Kindness Always Wins"

Jennifer Wynne, Principal

Dear Families,

I hope this message finds you well. I am writing to share an important reminder regarding the safety and well-being of all our students.

We have several children in our school with severe allergies to peanuts and tree nuts. For these students, exposure to even small amounts of peanuts or tree nuts can be life-threatening and may require immediate emergency treatment.

To help ensure a safe environment for everyone, we ask for your cooperation in not sending peanut butter or any foods containing peanuts or tree nuts to school. This includes lunches, snacks, and classroom treats. We also ask that you check food labels carefully, as some products may contain or be processed in facilities that handle nuts.

Your understanding and support are essential in helping us maintain a safe and inclusive environment for all students.

Thank you for your attention and partnership in this important matter. Together, we can help make our school a safer place for everyone.

Warmest regards,
Jennifer Wynne
Principal
